Empowering our future!

KAPT **Kids Are People Too!** *Empowering our future!*

KAPT's Mission:

To provide a free of charge safe-haven for vulnerable youth by providing educational development, creative and recreational enrichment.

We make available to the youth in our community guidance, mentoring, fellowship and the exchange of life experience. That's because we believe that **Kids Are People Too!**

Information about KAPT:

Kids of all ages have thoughts, ideas, dreams, hopes, beliefs, needs, wants, desires, fears, worries, difficulties, peer pressure, happiness, anger, good and bad days:

We cannot ignore the fact that we live in a tough world. Unfortunately, times are getting harder and more challenging for our youth. KAPT realizes that our youth are not receiving the attention they need to help find

solutions to their everyday problems. KAPT is designed to improve the emotions and decisions of our youth.

Our goal is to reach ALL

children, no matter their age, race or gender. Children are our present as well as our future. We will be encouraging and showing them how to achieve and to live to their fullest potential. In doing so, we will be building them up to be productive members of society. For, *"It takes a village to raise a child"*.
